**RE: GeoLinks' Request for Extension of Time on May 3, 2021 Deadline for
Submission of California Advanced Services Fund Kicker Funding Application**

Dear Ms. Slawson:

On April 27, 2021, California Internet, L.P. dba GeoLinks (GeoLinks) submitted a request for a 60-day extension of time on the May 3, 2021 deadline for "Kicker Fund" applications, pursuant to Rule 16.6 of the CPUC's Rules of Practice and Procedure.

This request was submitted five business days before the deadline for application submission and therefore meets the obligations of Rule 16.6 of the CPUC's Rules of Practice and Procedure.

GeoLinks' request is partially granted. The revised deadline for Rural Digital Opportunity Fund (RDOF) "Kicker Fund" applications is now extended 30 days to June 3, 2021.

The new deadline will apply to all prospective RDOF "Kicker Fund" applicants, as contemplated by Decision 21-01-003.

Pursuant to Rule 16.6 of the CPUC's Rules of Practice and Procedure, GeoLinks shall promptly notify the service list of Rulemaking 20-08-021 via electronic mail that this request was partially granted.

Sincerely,

A handwritten signature in black ink that reads "Rachel Peterson".
