

**RFC-CH Gigabit Project**

**Rural Fresno County – Coalinga Huron – Gigabit Project**

**Project Summary**

Project Title: **RFC-CH Gigabit Project**

Applicant: CalNeva Broadband, LLC. FEIN: 802095645

Contact Person: Thomas E. Gelardi [tgcvc@sbcglobal.net](mailto:tgcvc@sbcglobal.net) (559) 259-1340

Project Location: Cities of Coalinga and Huron in Fresno County. Zip Codes: 93210 & 93234

Project Type: Last Mile

Requested Grant Amount: \$511,170.00

Maps and Census Data: (see Exhibits)

Project Summary:

The project encompasses the installation of approximately 7 miles of fiber optic backbones within the two communities. The construction of a backhaul to connect the two communities. The upgrading of 51 miles of existing coaxial cable infrastructure and the build out of a NOC (network operations center).

Once completed the infrastructure will have the capabilities to offer up to 1 Gig speeds within the entire city limits which according to the 2010 census consists of over 6000 households.
