Description

Energy Division (ED) and California Energy Commission (CEC) staff will co-lead the kick-off meeting for the incentive-based supply-side demand response (SSDR) qualifying capacity (QC) working group pursuant to Decision 23-06-029. During this meeting, stakeholders will discuss working group goals presented by ED and CEC staff and determine the timing and cadence of future working group meetings.

Agenda

#	Topic	Time
1	Introductions, Logistics, and Background	1:00 PM – 1:15 PM
2	Working Group Goals	1:15 PM – 1:35 PM
3	Next Steps (Schedule & Format of Future Meetings)	1:35 PM – 1:45 PM
4	Looking Ahead (Broader Timeline & “What-If” Analysis)	1:45 PM – 1:50 PM

The presentation will be emailed to the service lists¹ before the meeting and will be posted to the [Demand Response Workshops](#) webpage after the meeting.

Contact Eleanor Adachi at Eleanor.Adachi@cpuc.ca.gov if you have any questions regarding this meeting or if you are experiencing technical difficulties.
