Meeting ID: 770 741 3933

Passcode: t98HxX

Call-in: +13052241968

Workshop Objectives:

- A. Review the Operational Needs identified in Workshop #1
- B. Share expert and party perspective on the following question:

“What are the existing gaps and barriers in achieving the needs identified above within our current Distribution System Operator (Utilities)?”

- C. Co-create a gap assessment
- D. Lay the groundwork for the focus of our next workshop,

“What are the potential solutions in overcoming these barriers?”

Recorder: Gridworks

Chat Moderator: Gridworks
