

## **IRP Workshop on Ruling Proposing 2023 Preferred System Plan and 2024-25 Transmission Planning Process Portfolios**

Energy Division staff will host a public workshop on the Ruling on Friday, October 20, 2023, from 9am – 3pm. Slides will be posted online at the [2022-2023 IRP Cycle Events and Materials](#) before the workshop. the base case portfolio and a High Gas Retirement scenario, which includes 9.3 GW of natural gas retirements by 2035 and 15.2 GW by 2039, as the one sensitivity portfolio.

### **Objectives of the workshop:**

- Advance stakeholders' understanding of the process that led to the development of the proposed Preferred System Plan (PSP)
- Ensure stakeholders have information needed to provide thoughtful Ruling comments on core and sensitivity cases related to the PSP and Transmission Planning Process
- Communicate reliability and emissions of various scenarios / portfolios
- Explain the Ruling's procurement-related proposals
- Advance understanding of the IRP reliability framework used this cycle
- Overview the proposed policy and reliability driven base case and proposed policy driven sensitivity portfolios for the 2024-25 TPP and initial busbar mapping results for the proposed base case portfolio.

### **Agenda (draft - subject to change):**

- Introduction
- Aggregation of LSE Plans
- Modeling Updates Since February 2023
- Capacity Expansion Modeling
- Production Cost Modeling (PCM)
- Analysis Related to MTR Procurement Sufficiency & PFMs
- Procurement Related Recommendations
- Proposed Reliability Framework for IRP
- Proposed IRP Resource Portfolios for the 2024-2025 TPP
- Busbar Mapping

# California Public Utilities Commission

## **Preparation:**

- Materials related to the Ruling and the Ruling itself are available here: [2022-2023 IRP Cycle Events and Materials](#).
- During the workshop, there will be opportunities for stakeholders to ask clarifying questions. However, the comments and questions during this webinar will not be considered as submitted comments and Staff will not record them. Stakeholders will need to submit formal comments as a part of the Ruling process to be considered.
- Commissioners from the CPUC may be in attendance. The workshop will be noticed on the CPUC Daily Calendar.

## **Workshop recording:**

- The workshop will be recorded, with the recording posted to the [2022-2023 IRP Cycle Events and Materials](#) afterwards.

## **Public Workshop Notice: R.20-05-003**
