

# EXAMINATIONS & JOB OPPORTUNITIES:

## Public Utilities Regulatory Analyst Series

**THE CALIFORNIA PUBLIC UTILITIES COMMISSION (CPUC)** regulates services and utilities, protects consumers, safeguards the environment, and assures Californians' access to safe and reliable utility infrastructure and services.

Public Utilities Regulatory Analysts (PURAs) perform technical and analytical research work as well as consultative and advisory services in the areas of economics, finance and policy. They review and evaluate proposed legislation and advise the Commission on the potential impact of legislation; provide expert advice and present testimony in support of results of completed studies before the Commission, public interest groups, the regulated industries, various governmental agencies as well as the Legislature.
