## A Discussion of CPUC Rail Safety Oversight, Accident Investigations, Trespassing, and Public Safety

Please join the California Public Utilities Commission (CPUC) on Wednesday, October 18, 2023, from 10:00 – 11:30 A.M. for an informational webinar on rail safety and other rail-related topics.

### WHO SHOULD ATTEND:

Local government representatives and elected officials who have rail lines in their jurisdictions and community-based organizations who work in communities adjacent to rail infrastructure will benefit from hearing from Roger Clugston, CPUC Rail Safety Division Director.

### TOPICS THAT WILL BE COVERED:

We will provide an overview of the CPUC's role in rail safety, as well as dive into specific topics, like:

- Rail Crossing Funding Programs (Sections 130 and 190, Maintenance Fund)
- Rail Accidents
- Trespassing Issues
- Maintenance Near Rail Lines
- Community Development Around Rail

The Q&A sessions will provide attendees with an opportunity to share their opinions and ask questions on the issues discussed.
