Re: State of California – Public Utilities Commission
General Order 112-F Gas Inspection of PG&E’s DIMP Program

Dear Mr. Eng:

The Safety and Enforcement Division (SED) of the CPUC conducted a General Order 112F inspection of PG&E’s Distribution Integrity Management Program (DIMP) on March 1-5 and 8-12, 2021. On April 21, the SED submitted their inspection report, identifying violations and findings. Attached is PG&E’s response to the CPUC inspection report.

Please contact Paul Camarena at (925) 968-8606 or P1C8@pge.com for any questions you may have regarding this response.

Sincerely,

/S/
Vincent Tanguay
